## UNIFY

**PETROLEUM OIL-SURFACTANT ADJUVANT  
FERTILIZER COMPATIBLE  
MAXIMIZES HERBICIDE PERFORMANCE  
IN POST-EMERGENCE APPLICATION**

**Principal Functioning Agents:**

Petroleum Hydrocarbons (light paraffinic distillate, odorless aliphatic petroleum solvent) .....	83.00%
Alkylphenol ethoxylate, tall oil fatty acid .....	16.32%
Constituents ineffective as spray adjuvants .....	0.68%
<b>TOTAL</b> .....	<b>100.00%</b>

Contains petroleum distillates

**KEEP OUT OF REACH OF CHILDREN**

**DANGER**

**Hazard Statements:** Causes serious eye irritation. Causes skin irritation. May be fatal if swallowed and enters airways. Combustible liquid.

**Precautionary Statements:** Wash hands thoroughly after handling. Keep away from flames and hot surfaces. No smoking. In case of fire use alcohol resistant foam, CO<sub>2</sub>, powder, water spray. Do not use water jet.

**Net Contents: 2.5 GAL (9.46 L)**

SIGNATURE UNIFY K1022[J0316]

**Personal Protective Equipment:** Wear protective gloves/protective clothing/eye protection/face protection.

**FIRST AID: If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice. **If swallowed:** Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

**Note to Physician** - Contains petroleum distillate. Vomiting may cause aspiration pneumonia.

**FOR A MEDICAL EMERGENCY INVOLVING THIS PRODUCT, CALL 1-866-944-8565**

**GENERAL:** SIGNATURE UNIFY is a high performance, multi-component system designed for post-emergence weed control with herbicide applications. SIGNATURE UNIFY may be used with products registered for: agricultural, aquatic, citrus, forestry, industrial, municipal, non-cropland, ornamentals, rights-of-way, tree crops, turf and other uses. **NOT FOR AQUATIC USE IN WASHINGTON STATE.**

**DIRECTIONS FOR USE:** READ ALL DIRECTIONS AND NOTICE. The directions on this label are based on field experience and should be followed for most effective and safest use. Since SIGNATURE UNIFY increases the activity of herbicides, care should be exercised in applying it with a herbicide to new varieties or highly inbred lines or under weather conditions, such as high temperatures and high humidity, that tend to increase herbicide activity. The use of test areas is recommended if these conditions prevail. SIGNATURE UNIFY may be applied by ground, aerial or CDA equipment. Some pesticides have stated adjuvant use rates. In all cases the pesticide manufacturer's label should be consulted regarding specific adjuvant use recommendations and that rate followed. Do not add adjuvant at a level that would exceed 5% of the finished spray volume. For tank mix compatibility concerns, conduct a jar test of the proposed mixture to ensure compatibility of all components. Mix components in the same ratio as the proposed tank mix.

**General use rate: 1 to 4 pints per acre**

**NOTE:** Charts of suggested uses are intended to serve as a guide for the use of SIGNATURE UNIFY although the use is not limited to these herbicides, desiccants, defoliants or these crops.

**MIXING:** Fill spray tank 1/2 full of water, add the desired amount of herbicide and continue filling. Add correct amount of SIGNATURE UNIFY last and continue agitation.

**Environmental Precautions:** Prevent further leakage or spillage if safe to do so. Do not contaminate water. Do not allow to enter drains, sewers, or watercourses.

### **STORAGE AND DISPOSAL**

**STORAGE:** Store locked up. Store in a well-ventilated place. Keep cool. Store in original container. Keep tightly closed. Do not reuse empty container. If stored below 20°F (-6°C) for an extended period, product may become cloudy and thicken. Raise temperature above 32°F (0°C) and product will return to clear, fluid state.

**DISPOSAL:** Do not contaminate water, food or feed by storage or disposal. Dispose of contents/container on-site or at an approved waste disposal facility. Triple rinse (or equivalent) adding rinse water to spray tank. Offer container for recycling or dispose of container in sanitary landfill, or by other procedures approved by appropriate authorities. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at [www.acrecycle.org](http://www.acrecycle.org).

## CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

**BEFORE BUYING OR USING THIS PRODUCT**, read the Directions for Use and the following Conditions of Sale and Limitation of Warranty and Liability. By buying or using this product, the buyer or user accepts the following Conditions of Sale and Limitation of Warranty and Liability, which no employee or agent of LOVELAND PRODUCTS, INC. or the seller is authorized to vary. LOVELAND PRODUCTS, INC. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, when the product is used in accordance with such Directions for Use under normal conditions of use. LOVELAND PRODUCTS, INC. MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE BUYER'S OR USER'S EXCLUSIVE REMEDY FOR ANY INJURY, LOSS, OR DAMAGE RESULTING FROM THE HANDLING OR USE OF THIS PRODUCT SHALL BE LIMITED TO ONE OF THE FOLLOWING, AT THE ELECTION OF LOVELAND PRODUCTS, INC. OR THE SELLER: DIRECT DAMAGES NOT EXCEEDING THE PURCHASE PRICE OF THE PRODUCT OR REPLACEMENT OF THE PRODUCT. LOVELAND PRODUCTS, INC. AND THE SELLER SHALL NOT BE LIABLE TO THE BUYER OR USER OF THIS PRODUCT FOR ANY CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES, OR DAMAGES IN THE NATURE OF A PENALTY.
